

HEIGHTS VENTURE ARCHITECTS, LLP NAMES NEW PROJECT ADMINISTRATOR

Heights Venture Architects, LLP has recently named Eduardo Tosky as Project Administrator.

Eduardo has been with HVA since 1999. During his time with the firm, he has worked on a variety of projects, including commercial buildings, food stores, retail centers and health clubs.

“It’s an honor to be a part of a diverse and hard working team,” said Eduardo. “I am glad I am able to help transform challenges into visionary opportunities.”

Eduardo, who speaks fluent English and Spanish, has lived in Houston for 23 years. He earned an Associate of Applied Science degree in 1995 from ITT. In 2006, he obtained a Bachelors of Business Administration degree with honors, Summa Cum Laude, from American Intercontinental University. He is a current member of the Project Management Institute (PMI) Houston Chapter.
